

POWERING YOUR BUSINESS

WIN MORE BUSINESS WITH TOP-RATED POWER PRODUCTS, SUPERIOR WARRANTIES, AND COMPETITIVE PRICING FROM CYBERPOWER.

ADVANTAGES FOR YOU

VALUE

We offer power protection and management products with advanced technologies, innovative features, competitive specifications, and industry leading warranties.

PRICING STRUCTURE

CyberPower bid pricing starts at only \$1,000 and stacks with an available three percent government/education discount. As a true manufacturer, we have significant control over product pricing.

SALES SUPPORT

Our sales support team provides timely product recommendations, bid pricing, joint sales calls, demo programs, and sales collateral. We are responsive, flexible, and ready to work with you.

TAA SOLUTIONS

CyberPower offers the most comprehensive line of TAA compliant UPS solutions available.

ADVANTAGES FOR YOUR CUSTOMERS

QUALITY

One of the few true manufacturers in power protection, CyberPower is recognized as a CRN Data Center 100 manufacturer.

RELIABILITY

Total quality control allows us to offer the strongest product warranties and connected equipment guarantees in the industry.

INNOVATION

Our UPS systems offer the most comprehensive features available; they lead the way in Energy Star® certification, LCD functionality, and battery management technology.

AFFORDABILITY

For features, price, and quality, CyberPower offers the most competitive range of power protection and management products in the market.

ABOUT CYBERPOWER

POWER PRODUCTS

Our award-winning company was founded in 1997; we design and manufacture high quality power protection and management products, including:

- Uninterruptible power supply (UPS) systems
- Power distribution units (PDUs)
- Surge protectors
- Telecommunications backup power products

PARTNERSHIPS

By emphasizing product quality and customer service, CyberPower Systems delivers power products with higher value and lower total cost of ownership. This approach has made us the fastest growing power protection company in the IT channel.
